Scholar **All articles** - **Recent articles** Results **1** - **10** of about **30,400** for **model insert node random number sequen**

Whole-genome **random** sequencing and assembly of Haemophilus influenzae Rd
RD Fleischmann, MD Adams, O White, RA Clayton, EF ... - Science, 1995 - sciencemag.org
... the ef- ficient assembly of a large **number** (tens of thousands) of independent, **random** se- quences **...** 300- to 500-bp complementary DNA (cDNA) **sequences** (13) led **...**
Cited by 3514 - Related articles - Web Search - BL Direct - All 12 versions

RNA **sequence** analysis using covariance models- ▶ nih.gov [PDF]
SR Eddy, R Durbin - Nucleic Acids Research, 1994 - Oxford Univ Press
... Columns of the alignment are assigned to match **nodes** or **insert** states of neighboring **nodes** according to **...** Figure 3. The covariance **model** training algorithm. **...**
Cited by 375 - Related articles - Web Search - BL Direct - All 7 versions

Meta-MEME: motif-based hidden Markov models of protein families- ▶ oxfordjournals.org [PDF]
WN Grundy, TL Bailey, CP Elkan, ME Baker - Bioinformatics, 1997 - Oxford Univ Press
... built from a nested series of **random** subsets of **...** expected length of spacers generated by **insert nodes**, and asterisks **...** times as large as the motif-based **model**. **...**
Cited by 154 - Related articles - Web Search - BL Direct - All 23 versions

Hidden Markov models for **sequence** analysis: extension and analysis of the basic method- ▶ oxfordjournals.org [PDF]
R Hughey, A Krogh - Bioinformatics, 1996 - Oxford Univ Press
... same probabilities (delete-to-match and **insert**-to- match **...** character from one **sequence** against one **model node**) is a **...** settings, is the sum of **model** lengths over **...**
Cited by 346 - Related articles - Web Search - BL Direct - All 15 versions

Extracting protein alignment models from the **sequence** database- ▶ nih.gov [PDF]
AF Neuwald, JS Liu, DJ Lipman, CE Lawrence - Nucleic Acids Research, 1997 - Oxford Univ Press
... **sequence** and those corresponding to black **nodes** in (A **...** is present in some globins, is absent from the **model**). **...** in parentheses between blocks are **insert** lengths. **...**
Cited by 208 - Related articles - Web Search - BL Direct - All 18 versions

Syntax-based statistical translation **model**- ▶ upenn.edu [PDF]
K Yamada, K Knight - US Patent App. 10/190,298, 2002 - Google Patents
... The training procedure resulted in tables of esti- mated **model** parameters. **...** com- prises inserting the word at an **insert** position relative to the **node**. **...**
Cited by 336 - Related articles - Web Search - BL Direct - All 37 versions

From sequences to shapes and back: A case study in RNA secondary structures- ▶ santafe.edu [PDF]
P Schuster, W Fontana, PF Stadler, IL Hofacker - Proceedings: Biological Sciences, 1994 - jstor.org
... (Internal **nodes** are assigned **...** We remark that this is also true for protein **models** on lattices **...** structures is essentially the same as shown in the **insert** for chain **...**
Cited by 397 - Related articles - Web Search - BL Direct - All 21 versions

Expected length of the longest probe **sequence** in hash code searching- ▶ uwaterloo.ca [PDF]
GH Gonnet - Journal of the ACM (JACM), 1981 - portal.acm.org
... For the open addressing scheme with a clustering-free **model** these values are **...** may have a worst case of n accesses to **insert** (or locate) an element; that is **...**
Cited by 123 - Related articles - Web Search - Library Search - All 5 versions

ORDPATHs: **Insert**-friendly XML **node** labels- ▶ psu.edu [PDF]
PO'Neil, EO'Neil, S Pal, I Cseri, G Schaller, N ... - Proceedings of the 2004 ACM SIGMOD international conference ..., 2004 - portal.acm.org
... For the XMach-1 benchmark [6], which **models** a document management scenario, we created
